f4bc01c98b cathar - February 2, 2022. Today is exactly one year since I turned over the last page of this book and couldn't wait to get out of the house and get to work. I was full of energy and inspiration. And even on the day I wrote these lines, I didn't yet know that a year later I would not be alive. Today, I would like to thank you for being with me this year. For believing in me and in me. For being supportive and inspiring.
