All I want to say is that SMASH BOY is a fantastic game! I just downloaded it, and I'm in love with it! I've always been a huge fan of Smash TV and Smash Boy, so I'm really glad to have a proper game. It's a lot like that, although they do have a few differences. You must install the latest version of Adobe Flash Player to play this game. This game does not work if the Flash Player is up to date. While I may not be a fan of the idea of personal botting,

Smash TV is a pretty great game. The controls and fighting mechanics are pretty good as well, as well as the world-building. But, after some consideration I must admit I think this game could almost be my favorite Smash TV game. The heavy use of unnecessary characters is just hilarious, and the fact that the game's creator, Kanako, actually responded to my own fan-request for this game speaks a lot to the design of the game. Kanako has also made a speedy response to my feedback regarding the game's glitches, as well as adding a ton of new features to the game. Moreover, the developers have also made a ton of new updates on their wiki. This includes the new bosses, the new items, new heroes, and a ton of fixes. And, like Smash TV, the game also just looks really slick. The graphics are also much
