FIFA Ultimate Team FUT Champions at the Core As a FIFA Ultimate Team game, FIFA 22 introduces a fundamental new mode, named FUT Champions.

This mode pits team-of-four players against each other in a series of six 40-minute matches. Over the course of these matches, the player will unlock a series of new players, starting with the best players in the game, working their way down to the core Ultimate Team crew. FUT Champions is an all-new competitive mode that sends you into the match with a roster of players ready for anything. Nurture the best team you can by unlocking a new superstar each time you play the mode, then challenge rivals to a series of intense matches to see who truly has the most trophies. Every decision counts, including the “pick,” from the new Draft Mode. Draft Mode remains a centerpiece of Ultimate Team, but evolves into a more strategic and tactical process as you progress into FUT Champions. Throughout the matches, the player will earn “draft points” by completing different actions on the pitch, from successfully defending against a potential shot, to winning a long-range pass in the build-up. Draft Mode remains an integral component of the mode. The new Draft Mode allows you to pick the starting XI for the first match of the FUT Champions career mode. Every player you pick will have a direct effect on how the match will play out. Complete the ultimate fantasy experience with FIFA Ultimate Team Champions. New players, features and improvements to Ultimate Team and other key aspects of FIFA 22 are detailed below: New Players: Get ready to see the likes of Eden Hazard, Neymar Jr., Sadio Mane, Kylian Mbappe and Cristiano Ronaldo in action. Each new superstar will unlock once the player reaches the end of their career, allowing you to select one of these superstars into your Ultimate Team. Career Mode: With FUT Champions, we are introducing a new career mode that will begin with the player picking a starter XI. The new “pick” system in the game enables the players to effectively select the starting XI for the first match from their Ultimate Team Champions squad. Through a series of gameplay challenges, the player will earn draft points to decide each player's selection in the lineup. Each selection will directly impact the outcome of the match. New players can be unlocked by winning matches using the new Draft Mode, or

Each year we release dozens of new FUT packs packed full of new players, new teams, and new history. Take control of your very own squad of players on the pitch, and earn your way to glory by purchasing packs, unlocking players through gameplay, and winning in online Leaderboards. Create the ultimate team to play as offline or online, train it, and compete against friends in the ultimate team arena. FIFA Ultimate League - Compete against your friends by playing online in the Ultimate League. From April 2013 onwards, online play was open to all FUT players, regardless of whether they own Ultimate Team packs or not. You can play league matches against your friends online, or you can compete against other people in online leaderboards. Play your way to the top of the online league table and take home FIFA's glory. Practice Mode - Improve your skills, and put your footballing attributes to the ultimate test in this self-styled "Total Football" mode. Play one-on-one matches against a complete AI opponent (inspired by FIFA Soccer series, Pitch Editor, Career Mode), or play against a friend online. Take a quick peek at what you're doing in-game, with one press of the Space Bar, and let Coach Demicoli make adjustments to improve your game. Then, put your training skills to the test in Special Events, which are event-specific challenges designed to help you advance your career. Playing the Friendlies - Start a career as a player, manager, or commentator, and show off your skills, beginning with a friendly against Juventus, the oldest and most successful football club in Italy. Then face legendary managers like Bob Paisley and George Best as you lead your team to victory in friendlies. With over 70 unique scenarios, there are plenty of ways to master the game. FIFA 20 For the second year in a row, FIFA is exclusively partnering with the San Francisco 49ers to inspire millions of fans across the globe to join the Global Series during its annual "Preseason Finale," led by the world-class football team of the same name, on Saturday, August 25. Fans can follow the action on Twitter via @FIFA, @SFFootball and on the FIFA Mobile App. Fans that purchase FIFA 20 prior to August 25 can earn exclusive Limited Edition "Touchdown Jack" edition footballs signed by the 49ers' Hall of Fame quarterback and member
