You are the only one in the world who can be deep underground. The world is in danger, enemies are watching you. Your mission is to collect the gems as far as possible before they completely destroy everything around you. How deep in the caves can you get? Can you survive on this dangerous journey through the underworld? What's inside CAVE EXPLORER? Gem hunting on an epic level is what you can expect in this adventure. Tired of the same boring old underground locations? Instead of just looking for treasure and items, you will be venturing deep underground into ancient Roman cave galleries. Game Features: - Find your way through ancient Roman galleries - Find your way through 15 enormous caves with 5 different levels - Protect yourself from danger - Use powerful treasures to prove your combat strength - Discover the secret of your amulet For those who want to try out this APP, and if you would want to leave some comments or suggestions, please do not hesitate to contact us. Write a review My review Review from Reviews I played the game on my tablet and was amazed at how good the graphics were. Very dark cave and some very interesting choices on what I had to do. In the end, I was very happy with it. Much better than the entire boring dull world I played cave dweller in the 80's. Great game. Game took me about an hour to finish. New Game Everyone plays this game and I wouldn't be surprised if it becomes as popular as cave dweller and fantasy land. DAMN! :P... I really should have bought this when it was on sale instead of downloading the whole game... :(If you want to get the full game, here's the link:

Neverland is a satirical action-puzzle game, where you play as a cynical babysitter, called Peter Pan, who has just come to the city of Neverland to entertain a gang of child superheroes. You won't be able to do that if your magic mirror doesn't help you get into and through dozens of deadly traps. Key features: • 48 levels of action and adventure. You can play 1-4 players co-op in both local splitscreen and online co-op. • Challenge your friends and defeat the Super Villains. • Play as 13 different characters with unique attributes and abilities. Each character represents a different member of the

Super League. • Enjoy a diverse soundtrack including originals by game composers Edgar Delgado and Thor Berger, new music by multiple award-winning artists like Freedom Fry and the Super League and classic tunes from the golden era of arcade games like Yello. • Create your own unique score, using a variety of instruments, from guitars, organs to saxophones and pianos, and riffs. • Download puzzles to the cloud and challenge your friends in puzzle and speedrun tournaments. • Personalise your own profile and unlock special items like powerups, costumes, masks and B-movie inspired anti-mascots. All reviews from press and reporters who have given the game a try.

PCGamer.com: "...It's still hard for me to get over how great it is, even though I know it's impossible." - 2/5 IGN: "...The simplicity and style of Neverland is why it's so endearing." - 9/10 Eurogamer: "...what the game lacks in looks and polish it makes up for in charm and depth." - 9/10 The Telegraph: "...an entertaining pastime." - 8/10 SciFiNow: "...it's a delightful romp that never touches on the depths of the genre." - 8/10 Seventy years ago, a lonely and homeless man known only as the Joker, wearing a cunning disguise, joined the Super League to become the greatest villain of all time. Now, over 70 years later, the Joker, or rather a clone of him, is back. And he has a message for c9d1549cdd

Pathfinder Roleplaying Game: Adventurer's ArmoryWelcome to the Pathfinder Adventurer's Armory - Pathfinder roleplaying game character creation resource. This is a comprehensive collection of everything you need to create your character. From Pathfinder rules questions to player options, this book has it all!Game "Fantasy Grounds - Pathfinder RPG - Adventurer's Armory (PFRPG)" Gameplay: Pathfinder Roleplaying Game: BestiaryThese are the creatures you and your players have faced at the table.The Pathfinder Bestiary gives you all of the enemies and monsters that you might meet along your travels. From threats from the sword to monsters that can eat your face, the Pathfinder Bestiary is a complete character generator.Game "Fantasy Grounds - Pathfinder RPG - Bestiary (PFRPG)" Gameplay: Pathfinder Roleplaying Game: BestiaryFor years, the Pathfinder roleplaying game has been a fantasy staple among the RPG community. This book gives you a detailed breakdown of nearly every monster, beast, and creature in the Pathfinder game. With more than 50,000 players involved in test play, this volume has been the result of almost a decade of in-game development, testing, and playtesting. This book will help you prepare for your games with a complete rundown of the monsters, beasts, and creatures that populate your fantasy world.Game "Fantasy Grounds - Pathfinder RPG - Bestiary (PFRPG)" Gameplay: Pathfinder Roleplaying Game: City & SocietyWelcome to the Pathfinder city of Peasant's Hold. Your city is a little place that has been around since the dawn of time, and it looks just like you remember it. The Dungeon Master is screaming for a showdown with a troll, the back alleys are overflowing with carousing, and the nearby kingdom is trying to invade your little hamlet.Just like many of the cities you know and love, this city is built on the backs of the peasants, with nothing but a massive wall of dirt to keep you safe from the wolves. Now it's your job to make sure that Peasant's Hold stays on the straight and narrow path, or else the king's big, bad, sword-wielding army will take everything in sight. It's time to make your city your own.Game "Fantasy Grounds - Pathfinder RPG - City & Society (PFRPG)" Gameplay: Pathfinder Roleplaying Game: City & SocietyWelcome to the Pathfinder city of Peasant's Hold. Your city is a little place that

. "There's no sign of it," said Pritchett. "We have to see for ourselves." "Well, let's not go fucking there," said Eddie. "Anyway, it's a hot spot. We'll get a lot of attention." "Maybe we just use the minibar," said Pritchett. He popped open the fridge, which was an old-fashioned stainless-steel unit with sliding shelves, and found a well-stocked selection of frozen pouches. "I'll have one of those," he said, "and you can have a Pepsi, I guess." Stone sipped a Diet Coke and Pritchett chose a Pepsi. "Hungry?" Pritchett asked, and Stone said, "No, I'm fine." "I was thinking about having one of those enchiladas, but some chicken would be good, too." "You mind if I take one of you with me?" Stone asked. Pritchett shook his head. "We'll be in the bathroom together." "All right," Stone said, "but don't let anyone see you." They lifted two knives from Pritchett's block and Stone replaced it. Then they went downstairs and slipped out the back door without hesitation, although Stone could hear the front door opening and closing. ## 35 AFTER MAKING HIS WAY through a crowded bohemian nightlife district, Stone found a diner on Twenty-Sixth Avenue, which he discovered was a southeast coastal mecca for artists, writers, musicians, and out-of-work Hollywood types. The place had come to the city just after the tsunami, and it occupied a half-dozen buildings on a plot originally intended for an oceanfront motel. The buildings'

overhanging roofs caught the light in layers, sparkling changes, from day to day. The place had a surfer-bar feel, its walls decorated with displays of surfboards. Stone and Pritchett ate inside, avoiding the minimalist bar, and sat alone on the far side of the room, where they had a better view of the door. Slim waited until they'd both finished eating before he said, "O-Dingo is three blocks straight down, on the right." "Can you guess why they call him that?" Pritchett asked. "Who is?" "The
