What's New In?

This is MorphVOX, a highly-tuned voice changing software designed for online games. As the name suggests, you can control this voice changer with your mouse and joystick, but for those who aren't comfortable with mouse or joystick, we've added a feature called "Quick Voices". This feature allows you to change your voice with the touch of a button. This voice changer only works with online games, but in most online games the "voice" is actually just a sound effect. This is what our "Quick Voices" feature can do for you: □ Toggle between male and female voices □ Scroll through the available voices and make your choice in a snap. □ Play a selected voice or sound effect with a single click. □ Send out static messages and annoying sounds with a single keystroke. MorphVOX Quick Voices Sound Effects: □ Spooky sounds □ Muffled voices □ Humming □ Chirping and beeping □ Freaky fart sounds □ Barking □ Drum roll □ Belches □ Authentic animal sounds □ Machinery □ Crashing and crashing □ Flashy lights □ Bursting paint or firecrackers □ Explosion □ Hero in battle cry □ Fake speech □ Huge air tunnel □ Pressure sensitive MorphVOX Voice Changer Packs "Morpheus" Morpheus was a cryo-chamber in which Dr. Henry Pym (that's the character your role model from Avengers) was being frozen for the duration of the Avengers movies. But Dr. Pym's cryo-chamber wasn't big enough for Magneto's cyborg right-hand man. "Mr. Fixit" Mr. Fixit was the first to be activated and was also the first to be defeated. The voice of Mr. Fixit was provided by Brendon Sexton, who was portrayed as Mr. Fixit in the motion picture. "Megadude" Megadude is a Megadupe, a robot creation of Emperor Palpatine. It was activated to serve him in the climax of Revenge of the Sith. "Pizazz" Pizazz
