If you have been enchanted with the fantasy stories told in a different world, you might want to know more about the story, some characters and the world of the Elden Ring Full Crack. • The First of a Series The Elden Ring is the first in the fantasy action role-playing series whose sequel will be released this year. The Magic of Elden Ring is the first fantasy action role-playing game developed and published by WIT STUDIO. • The Game with a Unique Story The story of the Elden Ring is taken from the world of Elden, a fictional land located somewhere between where the real world meets the fantastic world, and one where the fantasy stories of the world of humans take place. • The Elden Ring Is a Fantasy Action Role-Playing Game Elden Ring is a fantasy action role-playing game in which the characters attempt to win the Viscount Yeldan's war against the evil force known as the Great Darkness that is destroying the world and eventually control the Lands Between. The main character of Elden Ring is Tarnished, a man who is the legendary chosen one, the person that is said to have the power of the Elden Ring, the power to use magic that can destroy the Great Darkness. The story of the Elden Ring begins with the awakening of the power of the Elden Ring after a devastating war called Yeldan's War. Tarnished, who was the last Viscount Yeldan, awakens the power of the Elden Ring within him. With the power of the Elden Ring, Tarnished embarks on a journey to create a world in which the Great Darkness cannot spread. • The Story of Elden Ring is Dramatic and Epic The game takes place in a world with magic and demons, in a fantasy story whose events between reality and legend intertwine. • The Developers of Elden Ring WIT STUDIO WIT STUDIO is a game development studio based in the heart of Tokyo, Japan. Since WIT STUDIO was founded in 2011, its staff has included many professional game developers who have been familiar with the development of various popular games. WIT STUDIO has consistently performed well in the Japanese game development industry, and currently has a reputation as one of the top game development companies in Japan. NEWS
