v1.8.2-DAZ~DiBYA. beaminging its way down the valley, biblically speaking. 3. To A/MG, I think the whole point of your objection is probably that you are offended to be spoken to like you are less than holy, as in both cases you are speaking to those who are in the spotlight of the blog, but ultimately that's just a sign of a lack of maturity. I agree with the blog as well. But I would take something further and say that people who are not themselves experts in the church should express themselves in a manner that reflects that. In other words, in something like this blog, the writer and the reader are alike in that they are not
