Cartoonist and actress Karen Gillan will contribute to the script for the next new big screen 'Mount & Blade' adventure. "I'm really excited to write with the team for the next film - which is phenomenal, because it's really important to have a female perspective in that role -â€” and also because the character for which I was nominated was the coolest.". The clash of legendary swords will be enhanced with exclusive weapons, armor and more. "There is a lot of mystery and folklore surrounding Mount & Blade," said Henry Cavill. "I'm not surprised that most of the questions surrounding the game have not been answered because they are so unpredictable, so it's going to be fascinating to see what the consequences are of players' actions in the game."
