want to play Darker Side Mode, load **Never Ending\_Night.simsave** before starting Story Mode, and play the first 3rd of it before saving over it to **Never Ending\_Night.simsave**.

My verdict? I'm in love. There is hardly anything I can say.

Two playthroughs done and counted, I'm really enjoying this. A lot. I can't wait to keep playing it. Please, I can't wait for them to make a sequel.
