### **Features Key:**

What kind of person is your character?

Choose from several different classes and become a powerful warrior or mage.

Equip your character with weapons and armor, battle in fierce PvP matches, and progress your class to a higher level.

Where do you get your signals from?

### **Assassin's Creed series**

Pride goes before destruction and pride, rather than wisdom, is the way to ruin.

Hidden Assassin is out now on PSN in Europe, the Middle East, Africa, Australia, New Zealand and Mexico.

## Smash Land

Steve is the ultimate demolition man and you're in want of a job. When a mysterious group of strangers seek your skills, the real fun has just begun.

A game in which you can combine elements to blast through over 1000 stages. If you love destroying things by demolishing walls, desks, computers and more, Smash Land might be the game that is perfect for you!

## D4: Dark Dreams Don't Die

In a reimagining of the cult-classic point-and-click adventure game series, D4 offers a visionary experience in human and fantasy storytelling, presented through a unique mix of animation, live-action, and real-time gameplay.

## Carnival Legend

Set in the world of Westeros, this is an RPG produced from the mind of Game of Thrones Executive Producer Bryan Cogman. Birth of an Empire chronicles the journeys of three great houses across the continent as they undertake a struggle to control three factions of Westeros.

Featuring four distinct characters - the knight Vance of House Vance, the spy Cat of House Cat, the sorcerer Jeanne of House Jeanne, and the general and assassin Graydon of House Graydon - Birth of an Empire is a thoughtful, sweeping single-player open-world RPG game set in one of the most beautiful and believable worlds of A Song of Ice and Fire

### **Elden Ring [32|64bit]**

◆ LEGENDARY MELEE. I am a mere Undead Lord whose bloodline stems from a long-forgotten dynasty of Elden Lords. I became an Undead Lord for the first time to use my great power to protect the traveling routes. During my travels, I met a lowly human Elder named Tarnished. He received an eye for my soul when I slew a dragon. If you go along with him, I will offer you the opportunity of becoming an Elder Lord. ◆ ASYNCRONOUS ASYLUM. One day, I was heading into the Mines and suddenly, my adventurer suddenly appears. I must have attacked this adventurer, who merged into a splinter and then spun around to attack me. I was so shocked that I lost my memories. Who are you? ◆ BATTLE SYSTEM. Inverse Matchmaking The game system uses an algorithm to match players. Players in the same party can become linked and can use teamwork. However, players who don't get along can't link and can't use teamwork. \* Requires approval from the developer. \* Since in-app purchases are not available, the

game can be played using only the in-app purchase function. \* At the point of purchase, it can be applied to characters that have not yet registered. In-App purchase Function \* Register through the application for free. \* After registration, the in-app purchase function becomes available. (In-app purchase function can be used with your character data.) \* The game can be played using only the in-app purchase function. ◆ FANTASY COMBAT. Elden Lord battle style is to be equipped with blades. Since it's a melee battle style, there are no skills that can be used. Tarnished also has a certain fighting style. He can use "Aigis" to stealthily attack. "Iros" is a magic he uses to boost his defense. ▲Aigis. \* I am a beginner, but I do not die by one blow. \* I am a beginner, but I can escape stealthily. \* Use Iros. ▲Iros. \* Tarnished also has special skills. ▲I'm not skilled at all.
