When it comes to dirty images, it's every woman's turn to show. HERE WE GO! THE SMELL OF Rika Nishimura's Skin Before Waking Up By kenjass My friend was having a lady-concentrated time and nothing could stop him that day, but he didn't have cum to share with me. We had been fucking nonstop for quite some time and I figured he was still building for his peak. He eventually asked me if I could stop fucking him and he would pull out and shoot his cumload, but I told him I would rather not. I told him to wait and see if the need to ejaculate was inside him, as the next step of fucking could lead to the inevitable cumshot. It was a lie, of course. We did fuck for another half an hour before the cumshot came out, but my friend wasn't aware of that. Instead, he asked me to pump his cock a couple more times to get it out of his ass, so he could clean it up. I did as requested and while I was doing it I made sure to put my left hand on his back for comfort. Because he is too deep inside and my cock being too big to fit in his ass, his girlfriend had to help him to push back in my cock inside his ass. She sat on the bed and guided my cock back and forth, leaving her asshole to guide it in. I was doing what she told me to, but I couldn't help being a little turned on. I was still trying to keep my reaction to a minimum. In a while, she felt the need to stop and I felt the urge to insert my cock into her ass as well. She asked if I wanted to fuck her ass, as she was filled with a craving for deep rectal fucking. I didn't think she was ready for it yet and I had to run to the toilet to try to recover. I was cumming like a madman as I pulled out of her asshole and when I reached the bed, I started to feel a little bit better. I helped her stand up from the bed and she grabbed my cock with her hands and started working my cock with her hands. She climbed back on the bed, I was holding her 6d1f23a050
