The files below work with the 6131 version of the software. On the e3, im trying to figure out if there is any difference at all in the different versions, i doubt there is. But i ran across this special deal, the files are for the 6131 and 7131 version of the software and the serial numbers are the same on both software versions. I'm not even sure what the e3 serial number is, but i dont know what difference it would make. I suggest you get the 6131 c6a93da74d
