August 7, 2019 - A beauty pageant was recently held in India. The path of this overweight girl and caring mother was not easy. She has time and again. In India, a beauty pageant for teenage girls was held. It was organized jointly with PETA and aimed at drawing attention to the problem of obesity among young girls. The competition was organized by PETA to draw attention to the problem of obesity among women in India and other countries. For this, a 16-year-old girl from the city of Kadaguram was chosen, who had been overweight since childhood and was even in a coma after a heart attack. Pictured is an overweight girl. Now she weighs 110 kg.
