It is set in the fantastical land of Peloria, where Earth revolves around the sun, but is actually a flat disk. In the game's campaigns, the player leads a chosen civilization through four ages; the archaic, the classical, the heroic, and the mythical. Age of Mythology is a real-time strategy computer game developed by Ensemble Studios, and published by Microsoft Game Studios. Two expansion packs were released for the original Age of Mythology. These two add the realms of the Nordic, Egyptian, and the Atlantean civilizations to the game. Age of Mythology is a mythology-based, real-time strategy computer game developed by Ensemble Studios, and published by Microsoft Game Studios. The Horde and Alliance unite to face a new danger. In Halo Wars 2, the first of a new trilogy, new heroes must join forces to combat a deadly new enemy threat. As the next chapter unfolds, the galaxy will test heroes through action-packed battlefields, diverse planet surfaces, and the new level of customization and mobility. Starting now, take the fight to the next level with Halo Wars 2, the next chapter in the bestselling franchise. Grab a handful of heroes, decide who will lead your mighty tribe. Build the army you need, devise your defenses. Set off to conquer the world. In battle, the army with the most men at the end of the round is the winner. New heroes, new units, all new campaign maps. NEW Battlemaps, NEW Graphics, NEW Gameplay! Heroes of newer games need to be a bit more. Make sure your battles are fair by unlocking the official rules. Unlock progression to further your abilities.
