November 19, 2562 P.E. Video game World Snooker. Game Review . We recently decided to try a new game for our resource and now we want to share our impressions about what came of it. As you might guess, we are talking about World Snooker, the most popular mobile snooker game. World Snooker is currently the only mobile game that allows you to play snooker. And if in World of Tanks you can launch the game in a browser through the official website, then you can play World Snooker only in the application on your mobile device.
