As mentioned earlier, T-Mobile's LG G4 (model number H811) seems to be receiving the Android 6.0 Marshmallow update. Ugh.. I have waited and waited for this update.. LG G4 now getting Android 6.0 update on T-Mobile I have finally received an update notification for Marshmallow on my G4.. The update was appearing on my device and I was. Welcome to the update, Marshmallow. Samsung Galaxy s6, s6 edge + se Verizon, Sprint, T-Mobile LG G4 update: which phones will get. Nov 22, 2015. Check also if your Android device has Android 6.0.1 update waiting.. page two - T-Mobile LG G4 update: which phones will get.Q: What is the origin of the phrase "return of the first born"? The phrase "return of the first born" is often used to describe a child returning to his family. Where did this come from? I have never heard the phrase 'first born' used in this way, and I don't know the name of the child. A: The OED says it was "not recorded". In other words, it's not recorded as a phrase in any standard dictionaries. Etymonline says that it's only about 150 years old. Wiktionary says it's from the Bible (Genesis 25:27) Your question is asking about where it came from, rather than how it came to be used like this. That phrase would be known to most people. It's the whole point of using a familiar phrase. Your question seems to be asking where it came from and what it means. For those two questions, "Return of the first born" is no more helpful than "The first born," so I can't address them here.
